

No reason to fear
He is Closer than a friend
No trouble is too big
You can trust in him

There's a better Way to live
A better Way to think
For everything you need
You can trust in him

Ah ah ah ah
You can trust in him
Ah ah ah ah
You can trust in him

Can I tell you how good He is
Can I tell you the truth

No one is like Him
He's the One I need

He's the one I need
No one is like Him
