**BRAND NEW SONG**

**VERSE 1**

Told me it was over,  hit me out the blue  (hit me out the blue )
Crying to my best friend, like say it isn't true
Told me on the telephone, couldn't tell me my face (tell me my face)
Even tho you did me wrong, you're so hard to replace
How could you do this to me? (How could you do it?)
Love is just so bittersweet
Stupid love songs on repeat (never felt so foolish)
I just want to be happy
This isn't like me

**HOOK**

So I'm moving on,
Got me a brand new song
So I'm moving on
Can't be like this for long
So I'm moving on,
Got me a brand new song
So I'm moving on
Cause I would never do me wrong

**VERSE 2**

Had a mental breakdown, couldn't let you go (couldn't let you go)
Man in the mirror now, can't look like this no mo
Loved you since the 12th grade, it just won't go away (just won't go away )
Know I need to cut the tie, I just don't make the space
It's just so complicated (it's so complicated)
I was so devastated, she's my favorite
You were the love of my life (you were the love of my life)
But you chose the other guy
No more cry

**HOOK**

So I'm moving on,
Got me a brand new song
So I'm moving on
Can't be like this for long
So I'm moving on,
Got me a brand new song
So I'm moving on
Cause I would never do me wrong
So I'm moving on,
Got me a brand new song

So I’m moving on
Can’t be like this for long
So I’m moving on,
Got me a brand new song
So I’m moving on
Cause I would never do me wrong
